Letter No./ 64/MPBOUR/RCB/2011,

Date: 11.01.12

Dear Student,

Heartiest congratulations on taking admission in this university, you have taken a wise decision to enhance your qualification through distance mode.

In this competitive world of today, it is a well known fact that a degree alone has no value. A deep understanding of the subject content is required for getting a good job or promotion. We are confident that you want to utilize your time in the best possible way and achieve success. To facilitate you in achieving this aim, we are organizing PGDTHM contact classes from 19-01-2012 to 29-01-2012. The following benefits will accrue to you by attending the contact classes regularly :

- ⬇ Clear understanding of the subject matter in a short time.
- ⬇ Proper guidance of teachers.
- ⬇ Clear your doubts in the subject matter.
- ⬇ Prepare properly for the examination.
- ⬇ Become eligible to appear in the term end examination.

Wishing you a bright future.

Your sincerely

  
(Dy. Regional Director)
